SOURCE

1. The following railroad traffic was observed passing through Küstrin-Kietz during the period 2 October through 30 October 1950. Troop transports traveled on the main line in both easterly and westerly directions while materials traveled eastward only. During this period 82 empty freight cars returned through Küstrin-Kietz from the east.

3. The railroad line to Frankfurt a. Oder has been officially in use since 8 October. Up to the present, only two empty cars coming from the East were rerouted to Frankfurt.

* Troops were estimated to be between 20 and 22 years of age, carried no weapons, and were accompanied by no armaments or motorized vehicles. Railroad cars carried approximately 30 men each.

** An anti-aircraft unit previously unnoticed in Küstrin-Kietz was unloaded and put in barracks there.
